

60-month, 100,000-mile warranty.

Reserve coverage by AUL includes powertrain, power steering group, rental car reimbursement, brake group, front/rear suspension group, cooling group, enhanced electrical, plus virtually all other manufacturer installed and approved components not stated in the short list of exclusions.

Warranty coverage begins on purchase date and ends at 100,000 total vehicle miles.

Extended warranty coverage does not supercede factory warranty.

Also included: towing, flat tire change, fuel delivery, battery jump, and key lockout.
